

X-Cats Robotics

Engineering Futures

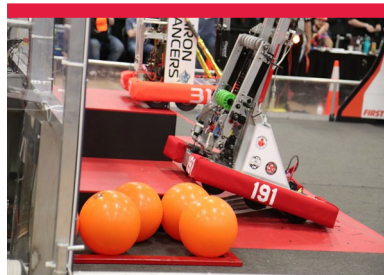

We build people, not just robots!

About Team X-Cats

- Founded in 1992, the inaugural year of FIRST Robotics, in a partnership with Xerox
- Two time FIRST Chairman's award winners and Hall of Fame Inductee
- Working with students from Joseph C. Wilson Magnet High School
- Working out of the Robotics Engineering Center at Edison Tech
- Regular award-winning performance at regionals and yearly National Champs attendees

Thanks to our 2018-2019 sponsors and donors
